- FINRA
- Federal Tax Day
- State Tax Day
- Global Daily Tax News
- Employment Law
- Employee Benefits Management
- Medicare & Medicaid
- Pension
- State Employment Law
- Food, Drugs, and Devices
- And more

## CCH Report Letters

- Blue Sky Law Reporter
- Business Franchise Guide
- Federal Securities Law Reporter
- Government Contracts
- Federal Tax Weekly
- State Tax Review
- And more

## To create your own customized Tracker News alerts

1. Click **Tracker News** in the tool bar

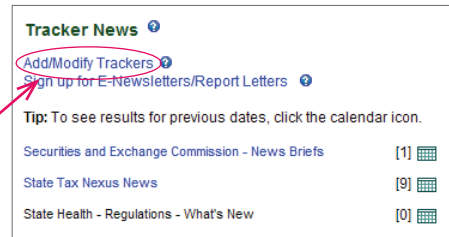

Then click the appropriate link . . .

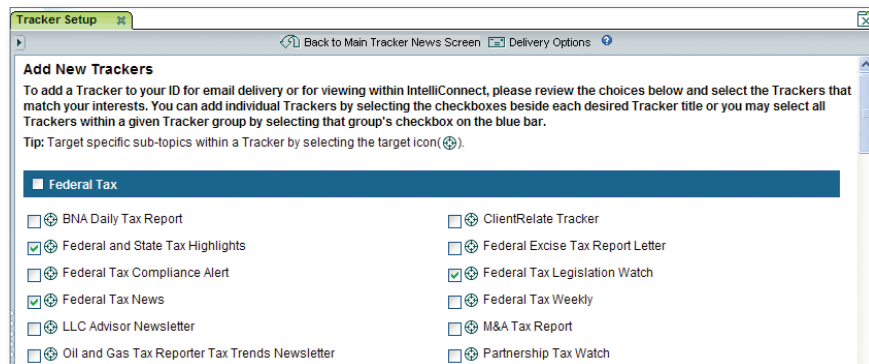

Click **here** if you have no Trackers yet

OR

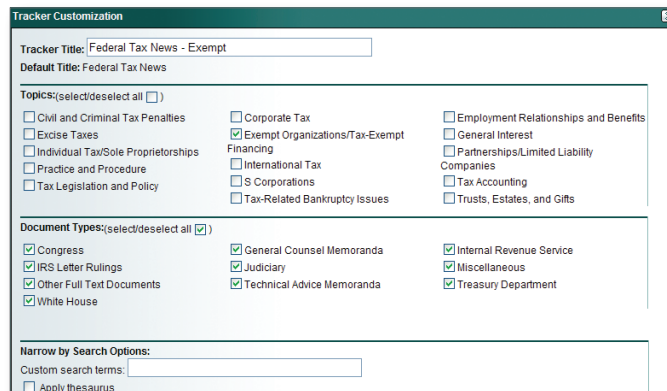

Click **Add/Modify Trackers** if you have existing Trackers

2. Check box(es) for desired Trackers in right pane

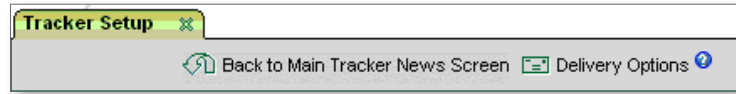

3. Optional: Click target  icon, select Topic(s) and Document Type(s), if available, enter term(s), edit the Tracker title, and click OK to customize your Tracker search.

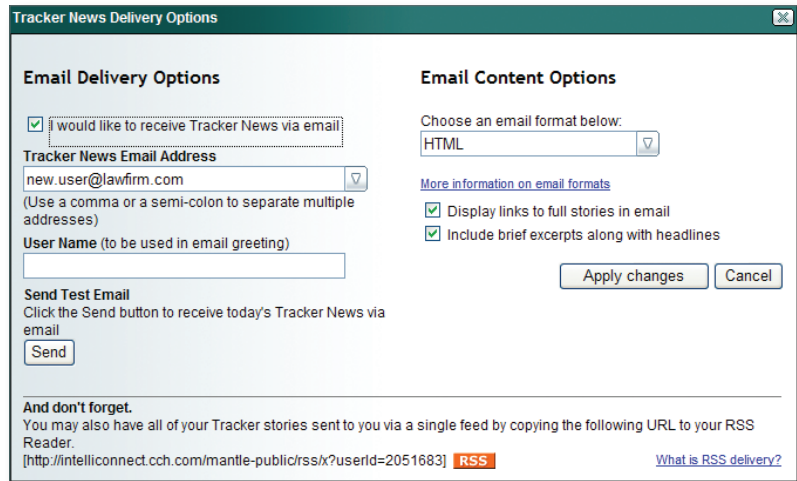

4. Click "Add Trackers(s)" at bottom to save your Trackers.

5. Use commands within top of Tracker Setup display to customize your Delivery Options or to go Back to Main Tracker News Screen.

Delivery Options: Enable email delivery or RSS feed. (All your Trackers will be packaged into a single email or RSS feed each day.) Email will be sent from Wolters Kluwer Law & Business [customerservice@wolterskluwer.com] with subject line = Tracker News Headlines for Month, DD, YYYY.)

Back to Main Tracker News Screen:

—View your daily Tracker News results

—Click on calendar icon to view Tracker News results for a specified time period.

—Click "Add/Modify Trackers" to add new Trackers, edit/delete your existing Trackers.

**TIP:** Install IC Mobile app (<http://www.wolterskluwerlb.com/ICMobile>) on your BlackBerry, iPhone, or iPad to access Tracker News and more while away from your computer.
